LOCKPORT, LOUISIANA 70374

AREA CODE 985  
PHONE 532-6924  
FAX 532-3667

The following is a short list of laboratories that may be able to test for “Lead” and/or “Copper” in your drinking water. A complete list of all Louisiana Department of Health (LDH) certified labs can be obtained by visiting <https://ldh.la.gov/page/laboratory-certification>.

**Customers are advised to verify their preferred laboratory’s “Lead” and/or “Copper” certification status before engaging their services.** This can be done by either asking the chosen laboratory for their LDH Lead & Copper certification status, by visiting LDH’s website at <https://ldh.la.gov/page/laboratory-certification>, or by contacting LDH’s Lab Certification Program at 225-219-5202.
